Re: Approval Revision 1 of the Work Plan for Sampling in the Former Brunswick-Altamaha Canal, South of the LCP Chemical Site, Brunswick, Glynn County, GA

Dear Mr. Gupta:

The purpose of this letter is to approve the March 31, 2011 draft of the above-referenced Work Plan, as amended by the May 13, 2011 revisions to Figure 1, page 4 of Section 2.3 and Appendix B. These revisions were sent to me via an e-mail dated May 13, 2011.

Please give me two weeks of notice prior to start-up of field work so that I may arrange for oversight.

If you have any questions about this letter, you may contact me by telephone at (404) 562-8937 or by e-mail at [jackson.galo@epa.gov](mailto:jackson.galo@epa.gov).

Sincerely,

A handwritten signature in cursive script that reads "Galo Jackson".

Galo Jackson, P.G.  
Remedial Project Manager  
Superfund Remedial Branch
